MEIL ANPARA ENERGY LIMITED,

Anpara, Sonbhadra (UP) -231225

1. INTRODUCTION

1.1 MEIL ANPARA ENERGY LIMITED (hereinafter referred to as 'MAEL') a company incorporated under the Companies Act, 1956, having its registered office at H. No. C/02/177, Sector C Pocket 2 Sushant Golf City, Lucknow, Uttar Pradesh, India, 226030. MAEL is operating 2 x 600 MW Anpara 'C' coal based Thermal Power Station at P.O-Anpara, District Sonbhadra, (National Highway-39) Uttar Pradesh-231225.

Ash is generated as a by-product during the generation of electricity. In accordance with the provisions of the MoEF&CC Notification dated 31 December 2021, as amended from time to time and the applicable Ministry of Power (MoP) Guidelines relating to ash utilization and transportation assistance, MAEL intends to promote scientific and environmentally sustainable utilization of Pond Ash and Fly Ash.

Accordingly, MAEL invites proposals from eligible agencies for utilization of ash in the following approved avenues:

- Flyover Embankments
- Dam Construction
- Shoreline Protection Works
- Ash-based Product Manufacturing Units
- Any other end-use permitted under applicable MoEF&CC/CPCB Guidelines.

Pond Ash and Fly Ash shall be made available by MAEL free of cost on an "As Is Where Is" basis, subject to availability.

Further, transportation assistance towards transportation of ash may be provided by MAEL in accordance with the prevailing Ministry of Power Guidelines, MoEF&CC Notification dated 31.12.2021 and subsequent amendments, subject to eligibility, applicable distance criteria, submission of documentary evidence and approval by MAEL.

1.2 Basic Information:

- 1.2.1 Plant capacity :2x600 MW (Unit 1&2).
- 1.2.2 Target Quantity (TQ): Pond Ash - 10,00,000 MT and Fly Ash – 5,00,000 MT
- 1.2.3 Target time Period: July 2026 to March 2027
- 1.2.4 The plant is situated at a distance of about 190 Kms from Varanasi Location: Anpara "C" Thermal Power Station Anpara, Sonbhadra, Uttar Pradesh.
- 1.2.5 Latitude – 24.2052° North Longitude -82.7965° East
- 1.2.6 Nearest Railway Station: Krishna Shila (KRSL); 10Km from Generating Station

2. PROPOSAL

MAEL invites sealed proposals from eligible concessionaires, contractors, infrastructure developers, Government agencies, Public Sector Undertakings, private organizations and Ash-based Product Manufacturers for lifting, transportation and utilization of Pond Ash and Fly Ash generated from its Thermal Power Plant.

The ash shall be utilized only for environmentally acceptable applications permitted under the MoEF&CC Notification and applicable CPCB Guidelines, including:

- Road and Flyover Embankments;
- Dam Construction;
- Shoreline Protection;
- Ash-based Product Manufacturing Units; and
- Other approved end-use applications.

Transportation cost (to the extent requested by the interested Ash User with the provision that agency requesting the least support shall be given higher preference) shall be borne by MAEL within limits and as per criteria set by extant Government Notification, Advisory and Policy. Preference shall be given to requests having minimum cost implication to MAEL for ash transportation.

Interested applicants shall submit their proposals in the prescribed format along with all supporting documents.

3. ALLOCATION OF ASH

Based on the receipt of responses to this Notice, pond / Fly ash shall be allocated to various Ash Users for qualified projects, keeping in view minimum cost implication to MAEL for transportation of Ash, till the available offered quantity is exhausted. Pond/Fly ash shall be issued free of cost.

Daily allocation of fly ash shall be finalized by EIC depending upon site specific conditions and availability of Ash at the Station on that particular day. The ash shall be delivered to designated site / location as indicated in the requisition through transporters appointed by MAEL for the purpose. Ash User shall ensure timely unloading of the ash at destination and release of vehicles in reasonable time.

4. GENERAL GUIDELINES:

- a. MAEL reserves the right to allocate the available quantity of Pond Ash and Fly Ash amongst one or more eligible applicants based on operational requirements and utilization commitments.

- b. Statutory / regulatory compliances shall be binding upon all the Ash Users and verifiable by MAEL.
- c. The proposal shall contain complete details of the proposed utilization project including project location, purpose, estimated ash requirement, implementation schedule, statutory approvals and organizational credentials.
- d. The successful applicant shall ensure that ash is utilized only for the approved purpose and strictly in accordance with the MoEF&CC Notification, CPCB Guidelines and all other applicable statutory provisions.
- e. Transportation assistance, wherever applicable, shall be governed strictly by the provisions of the prevailing Ministry of Power Guidelines, the MoEF&CC Notification dated 31 December 2021, and subsequent amendments issued from time to time.
- f. All activities relating to ash utilization shall comply with applicable Environment, Health & Safety (EHS) requirements, CPCB Guidelines, State PCB requirements, Motor Vehicles Act, labour laws and other statutory provisions.
- g. The successful applicant shall indemnify MAEL against all losses, claims, penalties, environmental liabilities or legal proceedings arising due to any act or omission on its part or that of its contractors, transporters or representatives.
- h. MAEL reserves the right to verify all information submitted by the applicant. Submission of false or misleading information shall render the proposal liable for rejection and may result in cancellation of the proposal and blacklisting of the applicant.
- i. Interested and eligible Ash Users executing Project shall have to submit tentative time schedule of the project along with Expression of Interest.
- j. All Eligible Projects shall source Ash from Thermal Power Plants (TPPs) closest to their Project. Allocation of Ash by TPP shall be in compliance with the same.
- k. It shall also be the responsibility of the Ash User(s) to ensure that the Ash sent from the TPP is facilitated for quick unloading and release of vehicle.

5. SUBMISSION OF PROPOSAL

Interested Concessionaire/Contractor/Ash-based Product Manufacturer are required to submit all the documents as per the attached format complete in all respects with one original in hard form under the registered post or hand delivered to the address:
